Mother's Key®

By Fred Stowman, depicts how mothers hold the keys to their children's hearts. The heart-shaped stone represents the mother; the father is represented by a square (#81615 or #81613) stone in the "tang" part of the key, which can also hold up to four children's stone. The key shaft can be set now or later with up to four more children's stones, or diamonds, as you wish. Each Mother's Key® comes with a card and explanation.
